THE HISTORY OF ANCIENT EGYPT (PAPERBACK)

[DOWNLOAD PDF](#)

Worth Press Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. With spectacular monuments such as the Pyramids and the Sphinx, and a view of the afterlife that produced thousands of mummies, relics, and myths, ancient Egypt has fascinated everyone from Napoleon Bonaparte to schoolchildren around the world. The History of Ancient Egypt explores the lives of the pharaohs and other historical figures, but also looks in detail at the daily lives of ordinary people-scribes, priests, and villagers-who maintained the machinery of the state. The book explains the intricacies of the culture's religious beliefs; examines ancient Egypt's art, relics, temples, monuments, and language; and follows the rhythm of an agricultural society. As a great regional power, Egypt's relationships with its neighbours influenced the wider world. This book looks at the trading patterns and military expeditions that left Egypt's mark on Africa, the Mediterranean, western Asia, and even farther afield. The History of Ancient Egypt explores how archaeologists have uncovered various aspects of this unique society. Comprehensive, clear, concise and painstakingly researched, it makes the ideal companion to major histories and other media, a quick and easy reference for experts and enthusiasts alike.
