Abolishing The Taboo: Dwight D. Eisenhower and American Nuclear Doctrine, 1945-1961 (Paperback)

By Brian Madison Jones

Helion Company, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Abolishing the Taboo takes a new look at the integral role played by Eisenhower in the creation of a new nuclear creed for the United States during the Cold War. The narrative centres on Eisenhower, the man, the general, and the president, with specific focus on his intellectual and political understanding of nuclear technology in general and nuclear weapons in particular. Abolishing the Taboo presents an analysis of Eisenhower s thinking about nuclear weapons since 1945 as well as a survey of nuclear developments from 1953-1961 and evidences how he came to believe that nuclear weapons and nuclear technology were a permissible and desirable assets to help protect U.S. national security against the threat of international communism. Through an analysis of Eisenhower s words and actions, Jones- one of the leading Eisenhower historians - shows how and why he sought to make nuclear weapons as available, useful, and ordinary for purposes of national security as other revolutionary military technology from the past, such as the tank. Jones describes Eisenhower s assessment of the role and value of nuclear technology as sincere, and pragmatic, but also simplistic,...
