Breakneck Media, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After a failed mission claims the lives of his five man support team, Stan Tremblay, Callsign: Rook, flees Siberia and finds himself on the secluded coast of Norway, north of the Arctic Circle. Exhausted, cut off from the outside world, and emotionally beaten from his defeat in Russia, Rook just wants to find a place to rest. The small coastal town of Fenris Kystby seems like the perfect place. Within hours of arriving, he discovers that the town is not as tranquil as it appears. The townspeople are mistrustful of outsiders, a pack of mysterious wolves stalk the local tundra, and two villagers have been killed by a creature that defies explanation. To make things worse, there are rumors of something sinister, something the townspeople refuse to discuss. Despite the hostility of the locals, Rook commits to stopping the creature murdering townspeople. As the body count rises, he quickly learns that the greatest threat might walk on two legs. And when he uncovers the town's hidden past, Rook knows only one thing for certain: something is rotten in Norway.
