BOOMER; ON THE ROAD IN AFRICA BOOK ONE: MALI TO SOUTH AFRICA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It's never too late to take the road less traveled! A fit, adventurous Baby Boomer set out on a seven and a half month, no frills, bush camping Overland Tour across Africa. She expected to see African cultures and wildlife, but much of the wildlife was in her own tour group. They were on a booze cruise and their aim was to get drunk in every village, rainforest, savanna and desert they visited. Armed with her Kundalini Yoga techniques she managed to survive the trip almost unscathed. This interesting style of Overland travel is not well known in the U.S., but is one of the few ways to see the real Africa. Follow the author through twenty one countries, and learn a bit about Africa's influence on the world, its history and cultures, and also the phenomenal challenges facing Africa's environment, wildlife, and indigenous peoples. By joining this odd expedition, with heartwarming stories about the African people she encountered, you will be left with indelible memories.
