# HOW STARBUCKS SAVED MY LIFE (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2007. Paperback. Condition: New. Language: N/A. Brand New Book. Michael Gill had it made. He was educated, wealthy and well-connected. He had a creative and lucrative advertising job, which he loved and which he was good at, and a model family and home life. Then he loses it all. He is fired by a young exec whom he had mentored. He has an extramarital affair that destroys his family and results in a newborn son. Then he is diagnosed with brain cancer. He has no insurance, no income. One day he wanders into Starbucks and by chance signs up for a job interview. His would-be boss is a young black woman who gives him a job, and sets about training him and mentoring him. What follows is an inspirational eye-opener as Gill experiences a whole new world compared to his former life - with people from completely different ethnic and social backgrounds. How Starbucks Saved My Life follows Gill s journey of discovery as gradually he is forced to question his ingrained assumptions, prejudices and habits. Gill emerges from his fall from grace with humility and gratitude. His new-found empathy teaches him how anyone who has lost their way, or made a mistake, can start again.
