Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

Austral, 9999. soft. Book Condition: New. He aquí la obra más revolucionaria de la literatura española. A mediados del siglo XVI un pregonero toledano alza la voz para contar su vida y, al hilo de ella, mostrarnos el cuadro expresionista de una España en que el universal «engaño a los ojos» encubre una avasallante miseria material y moral. El genial autor anónimo, que ocultó celosamente su identidad, no sólo revolucionó los géneros literarios abriendo camino a la novela moderna, sino que logró una obra tan llena de intención que cuanto más la leemos más nos sorprende y deleita. Especialista en literatura del siglo XVI, autor de numerosos estudios sobre literatura mística y la picaresca, Víctor García de la Concha ofrece en esta edición una guía clara y completa para adentrarse en el mundo apasionante del LAZARILLO.
