Reaching Beyond the Waves: The Inspirational Story of One Teacher's Sixth Grade Students Search for the WWII Survivors of a Downed B-17

By Suzanne Zobrist Kelly

L R Publishing, United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. In October 1942, a B-17 carrying a crew and passengers, including famed WWI Ace and Medal of Honor recipient Eddie Rickenbacker, was forced to ditch in the Pacific Ocean. While floating aimlessly for three weeks on life rafts, the men battled sharks, blistering sun, and the lack of fresh food and water before being rescued. All but one survived. More than forty years later, sixth grade teacher Suzanne Kelly read to her students a book written by the plane's co-pilot. They were enthralled and asked the question, What happened to the men? REACHING BEYOND THE WAVES tells the story of how Suzanne and her sixth graders searched for and found the survivors, the men who rescued them, and others involved with this historic event. From declassified military reports and correspondence with the Army Air Corps, Marine, and Navy men involved, she shares how she and her students located people and information, and the multitude of discoveries they made through their investigations. It is an inspirational tale of facts and friendships, of reaching out and building relationships around the world.

Reviews

This book might be really worth a read, and superior to other. This really is for all who state there had not been a really worth studying. I am just happy to tell you that this is basically the very best pdf i actually have read through during my very own lifestyle and may be he best ebook for actually.

-- Elnora Ruecker

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

-- Mrs. Jacklyn Simonis
