Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When we hear the words, black white, the mind will often reflect to a phrase like cut dried, or perhaps to the familiar verbiage as, an open shut case. BLACK WHITE - Living life according to plan, delivers an open and shut case when it comes to justifying absolute truth of an all loving, all forgiving living God, Lord Savior, Jesus Christ. BLACK WHITE is the 1st of a 3-Book Series entitled, Challenged by Default. The acronym, Y O U A R E W O R T H I T, closes out the book, referred to as The Full Course Meal, shared in two specific ways: 1/ It soundly reveals how the world thinks how God thinks; how big and powerful He really is; how important we are too Him and why; and how well He knows us today and before time began. 2/ It provides the reader a track to run on, and return to, as a measuring stick, to help us stay on track, or return to it. If the world could only be exposed to the unselfish, Christ-first principles at the heart of any book in this series, or by said author who delivers consistently using a KISS type formula (Keep it simple silly), each individual or body of people s would slowly begin to change this treacherous and vile world in which we live.
