It is one of the best ebooks. It is one of the most incredible pdfs I actually have gone through. I am just easily going to get a satisfaction of looking at a composed book.

ROCKY'S MENU

Scripture Union Publishing. Paperback. Book Condition: new. BRAND NEW, Rocky's Menu, Dave Godfrey, "Rocky's Menu" is an accompaniment to "Rocky's Plaice" holiday club for children aged 8 to 11. It contains all the Bible text needed for the club, along with Bible exploration activities to be used in the small-group times at the club. There are souvenir pages too, where children can personalise the book by recording the best bits of Rocky's Plaice and collecting the signatures of the people in their group. The book also acts as a souvenir of the club, providing a memory of good times spent in a Christian community, learning about God. It also reminds children about what they learnt about God during the club. In addition, "Rocky's Menu" gets Bible text into the hands of children who may never have handled the Bible before and who may not have a Bible at home.
