COWBOY DICTIONARY LARGE PRINT (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.A companion volume to Barbara Neville s Spirit Animal series. The books are written in cowboy vernacular. The vernacular list has grown with each book. And the characters are bound to invent new and amazing variations on the English language as their stories play out, but as of book nine (Warriors Woman) this tiny tome should suffice. 2 Cast of Characters: such a list did not appear in the books until Broken Warrior, the ninth book. The first book doesn t contain all of the characters as many of them are met along the trail. Each has their own story and only a few attain inclusion into the clan. This list provides an easy reference to the background stories and Injin name variations of each of the main clan members. Hoss, neither a human nor a gadget, but a pivotal cast member, is included...
