Brand New Book ***** Print on Demand *****.If you have a heart bypass or heart valve procedure in your future you should find this book fascinating. While there are a lot of books that explain what a heart bypass is, there are not too many that will explain what you feel or what the overall the experience is like from the patient's perspective. That is best to hear from a patient who has gone through it. If you have a loved one who will be undergoing heart surgery you will want to read this book because the information will be valuable and helpful to understanding what your family member is going through. If neither of those situations applies you may want to exit here; but before you go, here is a takeaway: heart disease happens. You may want to read this just to gain an appreciation of the importance of getting to your doctor or to the hospital if you have any type of symptom that could even possibly be heart related. Yes, you have heard immediate treatment could save your life but here...
