Springer-Verlag New York Inc., United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The oedipal situation involves much more than an instinctual attitude toward a prohibited object giving expression to unconscious wishes. It introduces a whole new way of perceiving the internal and external world and an entirely different orientation to the myriad of life's experiences. A great deal of structural development, requiring the negotiation of a sequence of early developmental tasks, has to have taken place before it is possible to encompass the complex demands of an oedipal attitude. When these early steps are not negotiated, although genital instinctual impulses may be manifested, the structural alignments necessary to enter into an oedipal position cannot be effected and the intrapsychic conflicts it engenders are not encountered. The thrust of early development has made it essential for a narcissistic perspective to be adopted toward all stimuli and all relationships in order to enable all attachments must of necessity be continuing self-expansion. based upon the narcissistic supplies they contain, which ultimately lead to increasing levels of independence, self-differentiation, and individuation. It is precisely when...
