

African Summer: The Story of a Fish Out of Water

By Andrew Gilman

Createspace, United States, 2013. Paperback. Book Condition: New. John Gilman (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Stuck like a tongue in the mouth of Senegal, the tiny country of the Gambia is one of those places the world forgets until the president puts down a coup - but as Andrew Gilman discovered one hot summer, even the craziest dictator can be nice at his own birthday party. Anything s possible in a land where you can search for dragons by day and sip tea with silversmiths by night, or meet a blacksmith who moonlights as a sorcerer. Signing up for a seven-week trip, Andrew never thought Gambian life might mean knife-wielding maniacs and hungry crocodiles, swimming in hippo-infested waters or barely escaping riptides. But he packed enough for a small safari, just in case. Between magic and the local moonshine Andrew managed to make it out alive - and with self-deprecating humor tells the story of a country called the Smiling Coast, and a travel novice forgetting to look before he leaps headlong into the heart of Africa.
