

## Diagnostic technico-économique en agriculture

By Kane, Gilles Quentin

Condition: New. Publisher/Verlag: Éditions universitaires européennes | le cas des exploitations familiales agricoles de Zoetélé au sud-Cameroun | Le poids du secteur agricole dans l'économie camerounaise n'est plus à démontrer. Toutefois, ce secteur demeure dominé par de petites exploitations de type familial qui se caractérisent par de faibles niveaux de production et de productivité. Pour changer la donne et réduire la pauvreté en milieu rural, le gouvernement a mis en œuvre le Programme d'Amélioration de la Compétitivité des Exploitations Familiales Agropastorales (ACEFA). C'est dans le cadre de ce programme qu'est réalisée la présente étude. L'objectif principal de cet ouvrage est de comprendre la dynamique agricole d'un territoire à travers son histoire, ses caractéristiques physiques, climatiques et l'analyse systémique des systèmes de culture, d'élevage et de production en adoptant une approche de diagnostic agricole. Cet ouvrage s'adresse à un public large: les étudiants (agronomie, sciences économiques, sociologie, etc.), les institutions gouvernementales et non gouvernementales en charge des questions agricoles. | Format: Paperback | Language/Sprache: fr | 160 gr | 220x150x6 mm | 108 pp.
