Images of the Cross, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The author, Gary Garner, a confident, designer/building contractor of luxury homes becomes overwhelmed by the unprecedented mortgage/ housing crisis of the mid 1970 s. Mired in darkness, shackled with debt, depressed and suicidal, with no faith and seemingly no place to turn for help, the Holy Spirit orchestrated an almost unbelievable awakening that would set his family on a most incredible journey- and which launched him on a lifetime evangelical mission. Swept Up by the Spirit, Journey of Transformation is an account of this journey, relating many of the ways Jesus and the Holy Spirit supernaturally entered into his daily life and the lives of family members and others, intercepted, redirected and empowered them. The book recounts actual events, many in workplace settings, described just as they happened, telling of a radical transition from worldly choices and near devastation to the Glory of God s kingdom and the pursuit of His will. The book is filled with that most wonderful discovery of the Holy Spirit s presence and redemptive involvement in everyday life, often at the least expected times and places. Does the Holy Spirit still act powerfully in events and lives of ordinary people- in the very moment? Just like Acts of the Apostles! Join us on this journey and allow the Holy Spirit to lift you to new heights that may astound you.
