The land of the Humbird Company gently slopes towards the Chesapeake and Ohio canal and the Potomac river, making it suitable for residences, business houses and factories, and at the same time affording cheap and thorough drainage. Many shade trees will be preserved to add to the beauty of the residence sites, and the contiguity of the mountains will make the scenery from every site entrancing. An electric street railway will extend from this property to all parts of the city. This property will be sold in lots varying in size from 50 by 125 feet to 50 by 150 feet, for one-third in cash and the balance in monthly or quarterly instalments, to suit convenience of purchasers. To appreciate the advantages and beauty of this...
