THE CANTORA (PAPERBACK)

Paul D Cohn, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It all began with a rumor: an Indian girl who sang with the voice of an angel. A tiny girl, perhaps only nine years old. No one believed it at first, but the rumor persisted. Finally one day a runner arrived bringing news. And so the journey of the woman and the girl--Sister MAe da DoCura and Yema, the CaetE Indian child acclaimed as The Cantora--begins to unfold as perilous circumstance compels them to become agents of fate, changing the destinies of all who cross their path. The setting for The Cantora is coastal Brazil during the early 1500s, in the colonial town of Luls, a shipping port for the brutal and lucrative dyewood trade. Many Indians and Africans are enslaved at the port, and the Indians, afflicted with European diseases, are perishing by the hundreds. A village priest discovers an Indian child with a magical voice, and he allows her to sing the Latin Mass. The regional bishop assigns the girl to Sister DoCura with the intention of making the child singer a ward of the Church. The child is also treasured by her tribe as a mystical Tuguy KuNA (Blood Woman). The bishop summons The Vatican s Consilium de Virtutibus (The Council of Miracles) to certify Yema as a The First True Miracle of The New World, but when an Indian rebellion breaks out, the Council accuses the nun and child of heresy and condemns them to death as DoCura and Yema are forced to flee for their lives.
