Neuware - Master's Thesis from the year 2001 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,4, Middlesex University in London (unbekannt), language: English, abstract: Inhaltsangabe:Abstract: Interactive Television (iTV) has been around for several decades. Most people have probably heard the term before. Having started in the USA with some trials it is now conquering the UK. The first interactive services on Digital TV (DTV) have been broadcasted 18 months ago and are continuously growing in number. The four platform providers Sky, NTL, ONdigital and Telewest are trying to make their interactive services as appealing as possible and are, of course, offering new advertising opportunities for advertisers on that new medium. The aims of this project are to analyse those new advertising opportunities and compare them to advertising on traditional TV and the Internet and find out whether advertising on iTV combines their strengths and overcomes some of their weaknesses. In order to achieve this, the literature review focuses on the identification of the strengths and weaknesses of advertising on traditional TV...
