## UP FROM THE SEA (HARDBACK)

Random House USA Inc, United States, 2016. Hardback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. A powerful novel-in-verse about how one teen boy survives the March 2011 tsunami that devastates his coastal Japanese village. On that fateful day, Kai loses nearly everyone and everything he cares about. When he's offered a trip to New York to meet kids whose lives were changed by 9/11, Kai realizes he also has a chance to look for his estranged American father. Visiting Ground Zero on its tenth anniversary, Kai learns that the only way to make something good come out of the disaster back home is to return there and help rebuild his town. Heartrending yet hopeful, *Up from the Sea* is a story about loss, survival, and starting anew. Fans of Jame Richards's *Three Rivers Rising* and teens who read Karen Hesse's *Out of the Dust* as middle graders will embrace this moving story. An author's note includes numerous sources detailing actual events portrayed in the story. The fast-paced writing progresses the plot perfectly to fit with the subject. Fans of Ellen Hopkins's work will enjoy the immediacy of this novel-in-verse. - School and Library Journal Readers who appreciate the power of sports, friendship, and family to heal and to restore will engage with this well-paced emotional journey. - Booklist It is a moving story of the rebirth of hope in a teen who has lost almost everything Kai will resonate with teens on a simple human level, just as 3/11 resonates with 9/11. - VOYA *Up from the Sea* touched me deeply with its beautiful message of hope and the resilience of humanity. Bravo. - Ellen Oh, author of *The Prophecy* series.
