Synergy Team Power

By Chris Alexander

Synergy Executive Education, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All over the world, there are individuals who want to go to work-who are excited to go in on Mondays. They love their jobs because the environment they work in is free of fear and emotional toxicity; and they are unimpeded and able to focus on their work. They do their part to help achieve organizational goals. I work with people like this everyday, and I help them create the kind of workplace they have always wanted-one that delivers a sense of belonging, personal satisfaction, and job enrichment. I make this happen by working with business leaders who know that businesses and organizations are only as good as the people in them, and they recognize the importance of winning the hearts and minds of their people. I build high-performance teams: in businesses, government agencies, churches, non-profits, and even families. I have witnessed astounding personal, financial, and organizational growth accelerate when the environment is free of fear and supercharged with Synergy Team Power. This book is for all employees-from entry level all the way up to the...

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
