

## Evolution of the African Mind: Victim or Architect? (Paperback)

By Sylvester Menget

Partridge Africa, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This ink of human atrocities-like slavery and slave trade, colonialism, holocaust, apartheid, and all wars-will never disappear from pages of history. As much as such legacies have shaped the world, the ideas in this book are meant to rebuke such mental confinement to a daunting past. This work sets to identify aspects of the African community where ordinary people propel their own socio-economic disadvantage by conceding victimization and taking the back seat, instead of identifying their strength and proving their realized potential.

### Reviews

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
