It is quite possible that I am a bad economist; but it is certain that I am incorrigible. Having matured in the surroundings and under the special conditions of sea life, I have a special piety toward that form of my past; for its impressions were vivid, its appeal direct, its demands such as could be responded to with the natural elation of youth and strength equal to the call. There was nothing in them to perplex a young conscience. Having broken away from my origins under a storm of blame from every quarter which had the merest shadow of right to voice an opinion, removed by great distances from such natural affections as were still left to me, and even estranged, in a measure, from them by the totally unintelligible character of the life which had seduced me so mysteriously from my allegiance, I may safely say that through the blind force of circumstances the sea was to be all my world and the merchant service my only home for a long succession of...

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
