A STUDY OF SARCOID TUMOURS IN CAPE MOUNTAIN ZEBRA (EQUUS ZEBRA ZEBRA)

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | A study looking at the prevalence, body distribution and histopathology of sarcoids in endangered Cape Mountain Zebra in South Africa | The equine sarcoid, a locally aggressive, fibroblastic skin tumour, is the most common skin neoplasm reported in horses. The Cape mountain zebra (CMZ) has been described as one of the most vulnerable mammals in South Africa. The possibility exists that the existing populations arose from a very small gene pool and that they are considerably inbred. A reduction...

Reviews

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.

-- **Mr. Jerry Littel**

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
