After trying almost every trick in the book to aid a handful of socially awkward fourth grade boys, Skye opts for the innovative approach of pet therapy with the assistance of the local vet, a Siberian husky, and a Maine coon cat. Unfortunately, the first session only breeds disaster and draws the ire of cantankerous school board member Palmer Lynch. But Skye's worry over the episode changes to dread after Lynch is found dead in his home with the therapy cat hidden in his garage. With a clowder of questions unleashed, Skye finds herself dealing with a killer who isn't pussyfooting around.
