ZED BOOKS LTD, United Kingdom, 2013. Paperback. Condition: New. New Edition. Language: English . Brand New Book. Feminism is so last century. Surely in today s world the idea is irrelevant and unfashionable? Wrong. Since the turn of the millennium a revitalised feminist movement has emerged to challenge these assumptions. Based on a survey of over a thousand feminists, Reclaiming the F Word reveals the what, why and how of today s feminism, from cosmetic surgery to celebrity culture, from sex to singleness and now, in this new edition, the gendered effects of possibly the worst economic crisis ever. This is a generation-defining book demanding nothing less than freedom and equality, for all.
