Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Faith s life has become boring and predictable. She s the oldest daughter and she s always been dependable and sensible but she thinks it s time for a change. How far is she willing to go? Sweetwater Creek, Georgia is recovering very slowly after the Civil War and the few men left in the small one-horse town are unacceptable mates. Her sister wants to go to Atlanta, but that doesn t feel like the right move for Faith. Her mother doesn t want to leave at all since her father s grave is there. Aaron is a single father who hasn t recovered from his beloved wife s untimely death. He s depended on his in-laws to help him raise his motherless children, but he knows he s got to take steps to be the father his Mary would have wanted him to be. These two come to an agreement that neither of them truly understands until they re in the middle of it. When the truth finally hits them, things hit a few snags. Will there be a magical union or will the two be unable to manage their differences? Annie Boone writes clean and wholesome Western Romance stories. There is no sex or profanity.
