Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. View From the Top of the Mast is a true story of the adventures of a young gal who broke the stereotyped mold of the all male world in the late 1940s and 50s by crewing on sailboats from California to Hawaii, Tahiti, and points beyond. She bought her first sailboat by weaving coconut palm hats at luaus. Lady Weldon Hedley, aka Bungy (as in bungee jumping) was raised in California right by the sea, where the sparkling blue Pacific was her private swimming pool. With her famous beachcombing dad, the family combed beaches from Mexico to Oregon. Many celebrities visited their home, which was constructed from driftwood. She met Gary Cooper, Jimmy Stewart, waltzed with Rudy Vallee, and was escorted to her senior prom by Raymond Burr. She even played a joke on Humphrey Bogart. View From the Top of the Mast is a humorous tale of Bungy s first twenty-two years of over seven decades of a life filled with the joy of living. Bungy says this book is dedicated to the reader who has a certain sense of adventure that is crying to get out. Buy it! You won t regret it!.
