By William Williamson

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Horticultural Exhibitors Handbook: A Treatise on Cultivating, Exhibiting, and Judging Plants, Flowers, Fruits, and Vegetables Ix introducing the reader to the contents of this Handbook, we consider it necessary to give a few general remarks on exhibitions; to point out some of the benefits they confer on those who participate in them, and show the effect their agency has on increasing the value of produce. Exhibitions, whether of Science, Art, or Industry, are usually inaugurated with the view of promoting one or more of such desirable objects as the education of the public mind, the gratification of the senses, or the encouragement of Science, Art, or Commerce. That the desired results have been attained in a marked degree in Horticulture is clearly apparent to all observers. When We notice the large and increasing number of shows held throughout the country, nearly every parish and village participating in the annual display of garden pro duce, and see the interest taken in their success by all classes of the people, we are led to conclude that ?ower-shows must be doing a vast amount...
