Just the image to this suggests peace, strength, durability, or something majestic. But contained here are three related stories centered around such a lonely tree. But the more you read, the more you ll find out that this tree in particular is anything but what s mentioned above. The first story is about what we all do on a great summer day: go out cruising to enjoy the weather. The next story focuses on a creature of unknown origin living in a well house in back of a school. And the third isn t your typical haunted house story. So, please, sit back, relax, kick up your feet, and enjoy a fun-paced ride. And, while you re at it, for your added bonus an extra short story not related to the ones about awaits you at the end.
