## Easier Parenting: 8 Vital Principles to Guide Your Children's Behaviour Successfully (Paperback)

By Carole A Disseldorp

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book outlines the basic principles needed for enjoyable and effective parenting, which focus on preventing problems, using encouragement, preparation, communication and teaching skills. Modelling healthy behaviour, giving responsibility, and arranging stimulating activities are of equal importance. Children thrive on lots of positive attention and nurturing. It is very important that we socialise our loved ones, so that they can behave appropriately in different environments, and successfully navigate school, work and life generally. This book provides vital information about positive and effective ways to influence children to co-operate. It will also talk about managing common difficult areas, imparting beneficial values and setting limits. It dispenses with the need for material rewards, and challenges the commonly accepted notion of obedience. Parents can be shown how to maintain an authoritative style, whilst developing a happy, fun relationship with their children. The techniques presented are very helpful for improving relationships in general. Carole believes that we need to focus on the type of human beings we want to raise, right from the beginning, and to put strategies in place, to move in the right direction. If...
