iUniverse, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Some of you are going to buy this book because you will think that you know me. I hope you are in for a surprise. Some of you will remember me as mother, wife, foster mom, Stepmom, friend or maybe just a casual hi. I am giving away feelings here that have long been hidden, except on pieces of paper in a folder tucked away from a sometimes hurting world. I have reached a point in my life where I feel secure and happy enough to share with you all the love, anger, smiles and tears that has made up my life. I hope you all find enjoyment and a little piece of yourself here.
