# Android Best Practices (Paperback)

By Godfrey Nolan, David Truxall, Raghav Sood

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2014. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book ***** Print on Demand *****. Android Best Practices by Godfrey Nolan shows you how to make your Android apps stand out from the crowd with great reviews. Why settle for just making any Android app? Build a brilliant Android app instead that lets your users praise it for ease of use, better performance, and more. Using a series of example apps which gradually evolve throughout this book, Android Best Practices brings together current Android best practices from user interface (UI)/user experience (UX) design, test-driven development (TDD), and design patterns (e.g., MVC) to help you take your app to the next level.In this book you ll learn how to:* Use Android design patterns for consistent UI experience on many devices* Use agile techniques such as test-driven development, behavior-driven development, and continuous integration* Improve the speed and overall performance of your app* Organize an Android app using design patterns such as MVC/MVP* Create and consume REST and SOAP web servicesDesigning and developing an app that runs well on many if not all the leading Android smartphones and tablets today can be one...

Reviews

A whole new e book with a new point of view. This is certainly for all those who statte there had not been a well worth looking at. I am just very easily could get a delight of looking at a created pdf.
-- Hyman Goyette

A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.
