THERAPIST

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 206 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. I am a sociopath. I know this because I diagnosed myself. I have a PhD in Clinical Psychology from a very prestigious university. I am charming, attractive, and you probably want to sleep with me. I take what I want, when I want, and I enjoy picking the most tragic of all my patients to experiment with. I have no remorse, I am unrelenting in my pursuit of tragedy, and I am about to meet my match. Her name is not important, I am only allowed to call her Mistress. She is a femme fatale, a patient, and now an obsession. She will destroy me, I will do anything to get inside of her. I can already feel her inside of me. Trigger warning. This novel contains situations of perversity and dubious consent. It is not a love story, but more of a journey through a few short days in the life of a madman. What you see is not always what you get, reality is altered through his eyes and sometimes there is no happily ever after. This item ships from La Vergne, TN. Paperback.
