Hodder Stoughton General Division, United Kingdom, 2014. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. Looking for a convenient language course that fits your lifestyle and gets you speaking a new language in a matter of hours? The acclaimed audio-led Michel Thomas Method Total Japanese course, endorsed by celebrities, executives and learners worldwide, will deliver the results you want. How does it work? During the course, you will join Michel Thomas Method teachers Helen Gilhooly and Niamh Kelly, native speaker Mikiko Kurose and two students in a live lesson, learning from both their successes and their mistakes to keep you motivated and involved throughout the course. You, as the learner, become the third student and participate actively in the class. Within the very first hour you will be able to construct simple phrases by listening and thinking out answers for yourself without the pressure of writing or memorizing. You learn through your own language, so there's no stress, and no anxiety. You'll stick with it because you'll love it. Why is the method so successful? The Michel Thomas Method was perfected over 50 years by celebrated psychologist and linguist Michel Thomas. This unique method works with your brain and draws on the principles of instructional psychology. Knowledge is structured and organised so that you assimilate the language easily and don't forget it. The method breaks down the language into building blocks that are introduced sequentially in such a way that you create your response and move on to ever-more-complex sentences. There is no need to stop for homework, additional exercises or vocabulary memorization, so you progress rapidly. What's in the Course? Total Japanese with the Michel Thomas Method includes up to 8 hours of audio on CD and a practice CD-ROM with interactive activities and...
