## Drawn in Stereo (Hardback)

By Michael Gillette

AMMO BOOKS LLC, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Inspired by experience in the music industry and origins as an aspiring pop star, British artist Michael Gillette delivers his greatest hits, demos, and rare cuts of the past three decades in DRAWN IN STEREO. Showcasing pieces produced for Beastie Boys, Paul McCartney, MGMT, and Beck--among many others--DRAWN IN STEREO focuses on Gillette's ability to channel music into compelling visual art. Gillette shares a curated collection of artistic approaches, including installations, fashion sketches, music video animation stills, and magazine contributions for Spin and The New Yorker. Filled with selections from more than 20 years of work created in Britain and America, DRAWN IN STEREO encompasses a wide spectrum of visual directions and celebrates many key projects. Featuring a foreword by Fred Deakin and interview by Elastica's Justine Frischmann, DRAWN IN STEREO reveals an inspired life, ranging from Britpop London and rooming with the Aphex Twin to a decade of creativity in San Francisco. Life needs a backbeat, and that rhythm needs some visuals. So, I'll keep sharpening the pencils, listening for the muse to sing me a new song. --Michael Gillette.

### Reviews

*This written ebook is wonderful. This is certainly for anyone who states there was not a really worth studying. You may like how the author compose this pdf.*

*A very amazing publication with perfect and lucid information. We have read through and that I am certain that I will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*
