Today only, get a special discount on this Amazon 1 bestseller! Think of sociopaths, and what's the first thing that enters your mind The soulless murderer, lurking in the shadows Or perhaps you think of the ruthless business man turned hardened criminal, a modern day depiction in recent movies and media. You'd probably be surprised to know that you've met a sociopath already, at least one. Are they your classmate, colleague, friend, or even lover The thing about sociopaths that so few realize is that they are chameleons, masters at blending in. Unless you know them intimately, you will have no idea what's going on behind the charming facade. In the real world, sociopaths are far more likely to lie to family members, steal from workplaces, cheat on their partners, abuse drugs, and commit fraud, than they ever are to murder someone. Some sociopaths are in jail, but not all of them not even the majority. They don't just live in the bad neighborhoods either, and although the majority...
