Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

ISIS: BEHIND ENEMY LINES (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The monstrous act of terrorism has caused many a grief that they have had to live with throughout their lives. To terrorism, many have lost loved ones, many have had their innocence ripped apart and even faced the harshest brutality that no one would ever believe humans have the capacity to commit. One wonders and many questions then begin to clog the mind as to whether terrorists really do have conscience and whether their happiness is hinged on the grave atrocities they commit; on a daily basis. But come to think of it. Of what gain or fame does a barbaric terror organization like ISIS justify their heinous atrocities? Catching a glimpse into the world of terrorism like that of the Islamic State of Iraq and Syria (ISIS) is something that only a few would mutter the courage to have. In less than a year, the world has been fast forwarded to a new world of terrorism that has since not only changed many a world view of dealing with what has claimed thousands of lives but also something whose expression of ideological differences and ways of settling scores is terrifying. ISIS is perhaps the worst that the world has ever witnessed of a terrorist group whose fundamental principles by which it is established is to enslave, crucify, burn, behead, rape and expressively create a state that glorifies horrific evil. The question is; what is the world doing? Behind enemy lines explores to lay bare what transpires in the ISIS self-declared caliphate. Capturing thousands of hectares of land straddling Iraq and Syria would not have been enough to let the world know what ISIS seeks to achieve in the 21st Century but...
