Brand New Book ***** Print on Demand *****.Adolf Hitler, alive in an alternate history, in alternate time. It's the 1930s. In this alternative history, Canada and Britain are locked in a cold war against America. Canada is controlled by its evil Prime Minister, Tommy The Needle Douglas, whose platform of state-provided medical insurance, as well as his radical agenda of eugenics - to rid society of subnormal or incurable people - has placed him in almost dictatorial power. He knows the USA is his main stumbling block for a Final World Cleanse . If he can control North America, with America's wealth and power, he can control the world. Supporting him are big pharma , the International Medical Association and the GMO consortium. The good people of America have resisted Douglas's message of intolerance and forced insurance, but that has not stopped Douglas and his agent provocateurs from forming a fifth column in the United States to destroy America from within. Among the many brave men and women who are actively working for the interests of America, is one young man, and his father. They are inventors, explorers, a family of integrity, full of courage, pluck, daring and the fighting spirit that is the embodiment of the ideal American. They are Adolf Hitler and his father Alois of Shopton, New York. Meet Adolf Hitler. Our Hitler is a young hero, inventor, natural leader, and is All American . This is an alternate history - a different Earth. Adolf Hitler was just trying to build his airship and peruse his infatuation with a young school girl, Evie Brown. However, his previous inventions and exploits have brought him to the attention of the Canadian...
