

Assisting Students with Disabilities: A Handbook for School Counselors

By Julie P. Baumberger, Ruth E. Harper

SAGE Publications Inc, United States, 2007. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This new edition revisits the important role that school counsellors play in the personal, social, academic, and career development of students with disabilities. While school counsellors play a critical role in the planning and distribution of services to students with special needs, they may have very little training in this area. Baumberger and Harper s essential handbook has been updated throughout to help counsellors work confidently and competently with students who may require special services. The specific model they originally developed is even more useful today as counsellors document the ways in which they connect student data with appropriate interventions. The book chapters provide:
 / Clear explanations of recent changes shaping the legal context for working with students with disabilities / Tips to help counsellors identify students eligible for special services / Suggestions for designing realistic, measurable IEP goals / A number of case studies that walk readers through effective counselling responses / Insight into gaining parents trust, involving families positively in schools, and counselling siblings of students with disabilities / Strategies for integrating...

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

-- **Trent Monahan**

It becomes an amazing pdf that I actually have ever go through. This is for those who state that there had not been a worth reading through. You will like how the author create this pdf.

-- **Prof. Lonie Roob**
