Paulist Press International,U.S., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. Many catechetical volunteers start their careers with little more than good will, a basic knowledge of their faith, and a desire to pass that knowledge on to young people. This little book, written in a friendly, encouraging, and helpful tone by the former editor-in-chief of a major catechetical publisher, provides that willing beginner with useful information on such topics as an overview of child development, learning styles, organizing one s teaching space, and planning the lesson. The author makes the whole experience much less intimidating than that new volunteer ever imagined it would be.
