Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Chinese . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. (Chinese language edition) You are now under residential surveillance at a designated location. Your only right is to obey. With these words, Chinese lawyer Xie Yang was introduced to the brutality of Residential Surveillance at a Designated Location (RSDL), China s rapidly expanding system for enforced disappearances. Little is known of RSDL, or what happens inside. The People s Republic of the Disappeared will change that. RSDL facilities, often secret, custom-built and unmarked prisons, are run by police or State Security officials. Inside, people are placed outside the normal legal system, left in solitary confinement, interrogated repeatedly, and often subjected to torture. There is no oversight of the police, and no protection for those inside. In RSDL, you simply vanish. In RSDL, the police have total control. This book exposes what it is like to be disappeared in China. It is the first anthology written by the victims themselves, from lawyer Wang Yu who was abducted in the middle of the night to engineer Tang Zhishun who was taken from across the border in Burma; from IT worker Jiang Xiaoyu who was beaten and threatened with permanent disappearance to Pan Jinling whose only crime was dating an NGO worker. The People s Republic of the Disappeared includes a foreword by well-known exiled human rights lawyer Teng Biao. The foreword and introduction provide the reader with an understanding of RSDL. The legal chapter at the end offers an exhaustive, authoritative analysis of the domestic law giving rise to RSDL, and the international legal framework that China brazenly violates. These chapters, along with stories by lawyers Tang Jitian and Liu Shihui trace China s obsession with disappearing dissidents from the early 2000s, through to...
