There seems to be no doubt that Macmonnies has been unfortunate with his latest statue. He isn t likely to Mac-monnies on it. Voltaire and Emilie. I have been reading about Voltaire and his divine Emilie, who it seems was another man s wife, but that made her none the less divine to Voltaire. They agreed to call the chateau in which they lived a- little heaven upon earth --made so by their billing and cooing, of course. No doubt it was so until the novelty of it wore off; then they took to sitting at opposite ends of the table, holding their noses, I presume, though the book doesn t say so. Then Voltaire would get mad clear through, and being a poet would hit her with a bit of blank verse something like this: Cast not upon me, thou ghastly jade. Those sidelong swivel-eyed glances! And she, instead of applauding this fine effort of the Muse, would let drive at his head with a soup plate, to which he would promptly respond with the spoon-holder, and for a time the air would be filled with silver and chinaware. Then, after patching up the little difficulty, they would sally forth to dine with some neighboring marquis and talk gushingly of the heavenly time they were having in their little Eden, never dreaming of those obscure...
