A Complete (at the time of going to press) Collection of Poetry: The Book of Colin (Paperback)

By Colin Davies

Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Book of Colin is a collection of poetry covering a wide array of subjects that range from the serious matters of hate and love, memories of childhood and the loss of a parent, historical ghost stories to an affection for the number 5. Colin has gathered together all his poetry works into one place as an attempt to provide the reader with an opportunity to glean some form of personal insight or deeper connection to the subject and the feeling. Connecting with the author on a level that may not have been intended, but is certainly there is one of the great joys of the written word. While poetry has primarily been a means of personal expression for Colin through the years, it is his hope that in taking the time to look through this collection, you find a piece that also means something to you. And if he manages to do this, while at the same time making the name Colin cool, he'll be a very happy man indeed.
