Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 1.0in. Excerpt from Journal des Economistes, Vol. 19: Revue de la Science Economique Et de la Statistique; Juillet A Septembre, 1882 Mais la Constituante prit bientôt une mesure d'une bien autre portée, en décrétant la vente des biens ecclésiastiques et celle d'une partie du domaine. Ce fut la sa première décision financière vraiment révolutionnaire. C'était dans l'ordre matériel ce qu'avait été dans l'ordre moral la constitution civile du clergé. Pour parvenir à la vente de ces deux sortes de propriétés, qui ne devait d'abord porter que sur une valeur territoriale de 400 millions, l'assemblée imagina en outre un ensemble de mesures d'une pleine inexpérience et d'une rare imprévoyance. Ces biens étaient transmis aux municipalités, qui, après les avoir achetées, les revendaient par lots successifs. Seulement, comme les municipalités n'avaient pas les fonds nécessaires pour acquitter, il leur était prescrite de souscrire des engagements à temps, avec lesquels se devaient solder, à leur échéance, les créanciers de l'état.
