RAILWAY CONTROL BY COMMISSIONS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Railway Control by Commissions Few institution in the life civilized nations In the present epoch of the history of railroading the attempt is being made to conciliate conflicting interests and to arbitrate them when they cannot be brought together. The direction of this effort has been that of a more thorough recognition of the public character of the railway service, and has been toward an efficient public control. The forms which the relation of the state to the railways has taken in different countries have varied greatly. In some countries: the state has ended by owning the roads, in others, ownership has been coupled with operation, not by the government, but by companies.
