

Philosophy of Theism (Paperback)

By Borden P Bowne

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the PREFACE. This work does not aim to say everything about theism. I have rather sought to give an outline of the essential argument which might serve as a text for teachers and as a somewhat critical survey of the subject for other readers. Kant pointed out that the ontological argument properly proves nothing, and that the cosmological and the design argument depend on the ontological. The argument, then, is not demonstrative, and rests finally on the assumed existence of a perfect being. In a different form I have maintained the same position; but so far from concluding that theistic faith is baseless, I have sought to show that essentially the same postulate underlies our entire mental life. There is an element of faith and volition latent in all our theorizing. Where we cannot prove, we believe. Where we cannot demonstrate, we choose sides. This element of faith cannot be escaped in any field of thought, and without it the mind is helpless and dumb. Oversight of this fact has led to boundless verbal haggling and barren logic-chopping, in which...
