Thats your mom, not your best friends mom or the mom who drives the carpool or the one who leads your Bible study. This book will help both of you figure out how to make your relationship the very best it can be. Book description: By taking quizzes and surveys, reading parts of the Bible, learning about other girls and doing activities and crafts, girls aged 9-12 and their moms can build--or build upon--the trust, communication and love that are all important while Mom is still one of most significant influences in her daughters life. The Bible-based content clarifies and reinforces Christian values, and helps readers to understand their relationship with Mom as an essential part of Gods exciting plan for them. Each chapter covers a different topic (for example, forgiveness or discipline) and includes sections about Mom, God, Bible character profiles, Q and As, a Bible reading, a prayer, interview questions for daughters and moms that promote rich conversation, a craft or activity and plenty of opportunities to write down thoughts. In addition, comments from girls, Mom in different languages and mom secrets are sprinkled throughout. The Christian Girls Guide to Mom combines discovery and fun with a Christian world view. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
