

The Prolongation of Life: Optimistic Studies

By Elie Metchnikoff

On Demand Publishing, LLC-Create Space, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author of this interesting book is a many sided man, a philosopher as well as a scientist, and a writer who charms by the simplicity of his style and the directness of his argument, holding the attention of his reader from the first page to the last. He makes his points with no show of polemics and meets his opponents with a gentle reasonableness which disarms the most captious critic of his theories. To the readers of his earlier work, The Nature of Man, of which this is a continuation or a supplement, no commendation of the present essay is needed. They will find in it the same optimistic view of man s present and future, and the same fixed determination to dwell on the bright side of man s physical and mental constitution, without glossing over its imperfections, which characterized the preceding volume. The author believes that most of us do not reach the length of life to which we are entitled, and if a few of us do so it is only through...
