THE PASTORAL EPISTLES FOR THE PRACTICAL MESSIANIC (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Unlike some of the other letters of the Pauline corpus, there has been no significant demand for a detailed, Messianic examination of the Pastoral Epistles of 12 Timothy and Titus. Many of today's Messianic teachers and leaders think that they already know what these letters mean, and so putting out the effort of analyzing them beyond a cursory reading or survey is thought to probably not be needed. Sadly, today's broad Messianic movement is largely unaware and under-informed of a literal factory of academic proposals and perspectives, from over the past fifty years, regarding 12 Timothy and Titus. Much of this scholarship has affected various trends present in evangelical Christianity, the ordination of females as clergy within the contemporary church, and the debate over complimentarianism and egalitarianism. It is time for our faith community to join into these discussions. What purpose do these three letters serve within the Apostolic Scriptures? Are 12 Timothy and Titus to actually be read as a kind of church manual? What was the false teaching in Ephesus that caused Paul to issue some restrictive instruction? What is a proper usage of the Torah, versus an improper usage of the Torah as employed by the false teachers? What were the troublemakers on Crete doing? Why is the Apostle Paul so positive toward women in positions of high service in other letters, but perhaps not as much so in the Pastoral Epistles? Is abstinence from eating certain things, like keeping kosher, truly a sign of end-time apostasy? What do the Pastoral Epistles teach us about Yeshua the Messiah, and the Father's plan for the ages? How do we defend genuine Pauline authorship of 12 Timothy...
