Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Alice awakens in a psychiatric hospital believing she is the daughter of a 16th century executioner. Is she insane? Or has a portal in the multiverse opened to a past life, where Alice and her outlaw lover are hunted by a corrupt noble and his henchmen, who have their counterparts in her frightening new life? What is the agenda of the handsome young doctor who kidnaps her? Why will Security Agents kill to possess her? Are cosmic forces in play to change both past and future? Get ready for a ripping yarn; a time paradox roller coaster ride, blending thriller genres in a sardonic take on history, destiny, and timeless love. Join Alice as she is catapulted back and forth between deadly conspiracies beyond her understanding. But Alice is resourceful and brave. Alice Through The Multiverse was originally published as The Headsman s Daughter. This is the revised edition, retitled to better reflect its genre, with the addition of three new chapters, picking up from where the book ended. Richard Christian Matheson, #1 bestselling author of Created By Dystopia The Ritual of Illusion received an advance copy and was kind enough to send this endorsement: Brian Trenchard Smith s brilliant debut ALICE THROUGH THE MULTIVERSE cliff-hangs madly with wild twists, wicked wit and red-blooded passion. The action is knock-out filmic and Trenchard-Smith has dazzling talent to burn.
